

**The Central Baptist Academy Committee** exists to provide oversight and co-ordination of all areas of the ministry of Central Baptist Academy and to ensure adherence to the mission of CBA. The members of the CBA committee are all members of Central Baptist Church but bring a diverse set of knowledge, skills, and abilities to direct and support the school. They strive to support the staff as they provide an education that integrates biblical truth with practical learning at a level of excellence to challenge, equip, and mold our children to the maximum of their potential. Each member is committed to Christian education.

General responsibilities include: setting policies and procedures; oversight of the faculty, staff, facility, and finances of CBA; etc. They also oversee sub-committees such as our Parent Action Team, which seeks to enrich the overall community life at CBA. Members of the Parent Action Team are not required to be members of Central Baptist Church.
